PLAINTIFF’S NOTICE OF DELAYED FILING

On 24 May 2023, Defendant asked this Court for expedited consideration of the parties’ competing motions docketed as Dkt. #s. 13, 15, and 17. In support of its request—which Plaintiff supports—Defendant stated that Plaintiff would file his opposition to Defendant’s cross-motion, Dkt. No. 17, by today, 31 May. Plaintiff hereby gives notice to the Court that despite the undersigned’s best efforts, he will be unable to meet this self-imposed deadline due to technical issues beyond his control, and that Plaintiff will file his opposition to Defendant’s cross-motion tomorrow, 1 June 2023. He apologizes to the Court for the delay and attests that the delay is entirely attributable to his necessary reliance on a third party to resolve the technical issues (which were caused by that third party in the first place).

Date: May 31, 2023

Respectfully submitted,

/s/ Kelly B. McClanahan
